Message from the Head Teacher

Hello Parents and Carers,

Thank you for supporting World Book Day yesterday. Children and staff had a great time with lots of conversation and discussions about books, characters, plots and lots of reading. Children visited our new library and will be visiting regularly. There is a video on the website so you can see it too.

This week's contributions from year groups are pictures taken from yesterday's event that highlight the pleasure that reading can bring.

Please remember to look at the reading resources on our website, found here (scroll to the end):

You can also hear staff reading stories by following this link:

There is also plenty of information about our curriculum which can be found on the learning pages of our website. Weekly learning overviews, including homework, can also be found here:

A new room, Community Corner, has been created from a storage cupboard and we now need your help. We want to run a preloved uniform shop soon. If you have any preloved uniform, in good condition, washed and outgrown, please send this in so that we can stock the preloved uniform shop. Thank you for the contributions so far.

We would also like any puzzles that your child has outgrown for the toy shop. They also need to be in good condition and complete.

This term we continue to teach the school breathe techniques to children. Ask them to demonstrate. These can be used anywhere and are fun. Adults can use them too! Found here:

Parents, please sign up to National Safety Online, link below. Here you can get regular updates and find out more information to help keep your child safe whilst they are online.

<https://nationalonlinesafety.com/enrol/alexandra-primary-school-1>, There have been a number of parent information leaflets and we have added these to the school website.

A reminder that term time leave will not be authorised. Once again good school attendance is high on the agenda.

School Meals: please make sure that you have discussed the menu with your child, so that they know what to expect each day. This can be found here:

Information about courses for Learning to Ride bicycles has been placed in the news section of the website.

This week we sent a letter to parents regarding some resources to help children with any questions they may have about the conflict in Ukraine. The information has also been put on the website.

And don't forget:

In March we have...

I think you will agree, everyone had a really good day reading and talking about their costumes, having fun talking about book characters, plots, settings and reading for pleasure.

At the weekend, read, relax, rest, recover and we will do much more next week.

What do you remember from this week, last week, last month, last term?

What are you able to do now that you couldn't at the beginning of this term?

What will you be able to do at the end of this term?
