Primary School

# How will you help me settle into Year 3?

Before you start Year 3, you will have the chance to visit your classroom and meet your new teacher.

There are three classrooms, and each has your class and teacher's name on the door.

You will go upstairs to find your classroom.

“Our classroom is up here,” says Yasmin.

When you visit, you will do lots of fun activities, and you can start getting to know the adults who will be teaching you.

“Hello, Piotr, take a seat. Would you like to write a few sentences about yourself to help me get to know you better?” says the teacher.

If you have any questions or worries about moving into Year 3, your teacher can help. Just let them know.

Are you looking forward to starting Year 3?

# What will I do in Year 3?

We love reading in Year 3, and you will read every day at school. We will also encourage you to read at home.

Piotr and Savannah have each chosen a book from the shelf to read.

“What book are you reading, Piotr?” asks Savannah.

You will also have the chance to learn a musical instrument. Piotr is learning to play the violin.

“If I practise lots, my playing will improve,” he says.

We will do some of our work in small groups in our Year Group Area.

You will visit the computing suite to learn how to use a computer, and we will have fun PE lessons, both indoors and outdoors.

At playtime and lunchtime, you will play in the big junior playground where there is a fantastic large climbing frame.

What do you like learning in school?

# How will you look after me in Year 3?

You can talk to an adult if you have any problems or worries, including if you have fallen out with a friend.

Yasmin is talking to her teacher because she has had an argument with her friend.

Her teacher has given her some advice about how to make things better. Yasmin feels much better now and is glad she shared her problem.

“Remember, I am always here if you need any help,” the teacher says.

Everyone has accidents and bumps and scrapes from time to time.

If you are hurt, you should go to the Year Group Area, where an adult will help you. Kathryn has fallen over and scraped her knee.

“I know what to do,” she says. “I am going to go to the Group Area and get a plaster.” In no time at all, she is feeling better and playing with her friends.

Do you know who to ask if you need help?

# What happens about food and drink in Year 3?

In Year 3, you will bring a healthy piece of fruit from home to eat at break times. You can have a drink from your water bottle when you are thirsty. Your grown-ups can order milk from school for you.

“Banana and cold milk, my favourite,” says Yasmin.

You will still have dinner in the hall, but now you will sit in the junior section.

“I like sitting here with the big children,” says Savannah.

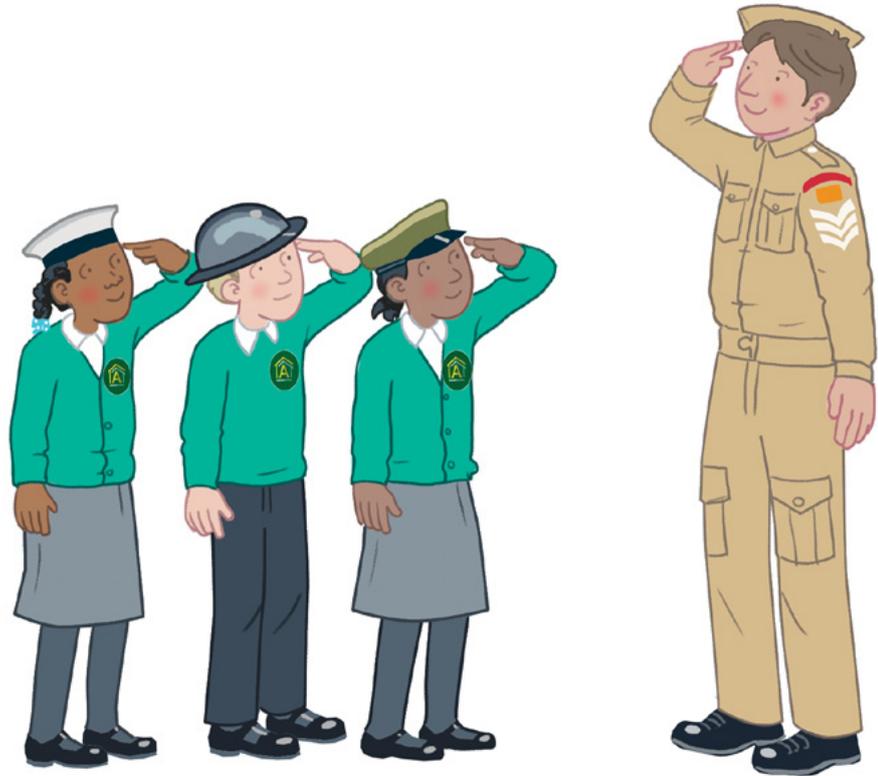

# What trips will I go on in Year 3?

You will have the chance to go on lots of exciting trips in Year 3. We also enjoy having visitors to see us. Our trips and visitors help us learn more about topics we are studying.

Today, the History Man is visiting. In Year 3, he will teach you about subjects such as the Stone Age, Ancient Egypt and Ancient Greece.

Today, he is teaching the children about what it was like to be in the Armed Forces in World War 2.

“This is how you would give a salute if you were in the Royal Army, Navy or Air Force,” he says.

Are you excited about going on school trips?

# What new clubs will I be able to join?

Before and after school, we have lots of exciting clubs for you to try. They include cricket, football, dance, gymnastics, archery and tennis. There is also a fun computing club called Techno Kids.

Yasmin enjoys playing football.  
“I hope I score a goal today,”  
she says.

Savannah loves a game of cricket.

“I want to hit the ball really hard and score lots of runs,” she says.

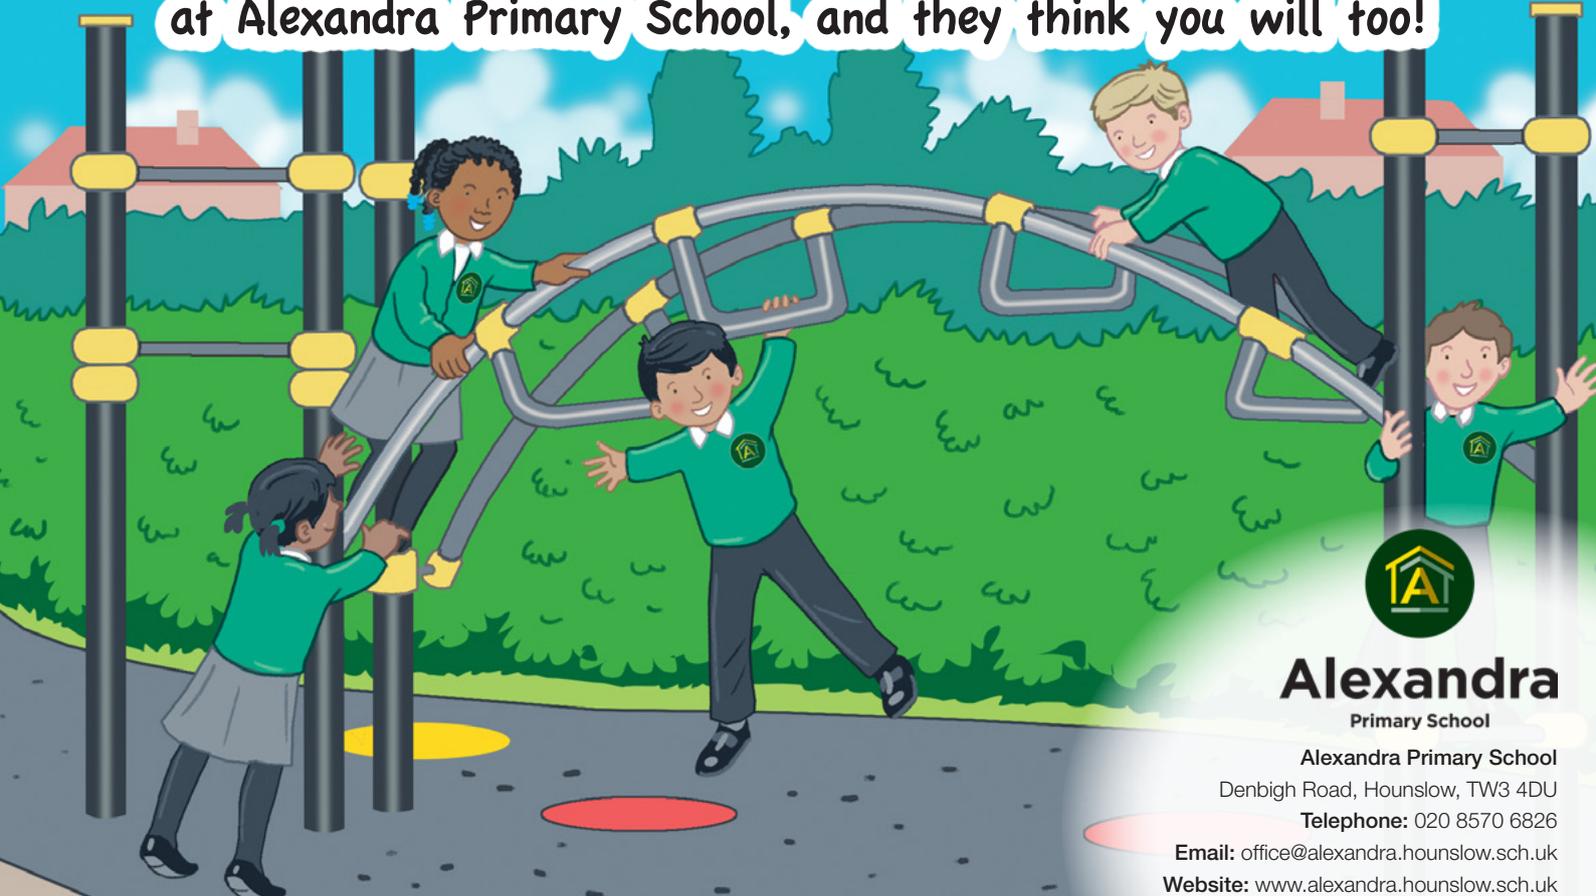

Piotr and Savannah are in the gymnastics club.

“I’m going to be strong enough to do handstands soon!” says Piotr.

Which club are you looking forward to joining?

Yasmin, Savannah, Piotr and their friends love being in Year 3 at Alexandra Primary School, and they think you will too!
