

# Weekly Creative Home Learning

Every **Tuesday** you will see a new chart of some activities that you can do to keep yourself busy and keep your brain active!

Please remember to balance your online home learning with activities that promote your well-being too! Just like you would at school, make sure you take breaks every so often.

Literacy - Reading	Literacy - Writing	Maths
<p>Listen to the story 'The Little Raindrop' by Joanna Gray. <a href="https://www.youtube.com/watch?v=lcQm-supS5M">https://www.youtube.com/watch?v=lcQm-supS5M</a> Talk about the story and think of words to describe how the raindrop feels during their adventure, e.g. happy, excited, surprised etc. Re-listen to the story, stopping at each individual adventure to help you think of the descriptive words that you want to use.</p> <p><b>Bug Club</b> - Read a new book on bug club! We can check how many books you have read so we can add more if you need. Do make sure you have clicked on every bug and answered all the questions fully. Otherwise the computer thinks you have not finished and we are not able to give you a new book. Please do not read 5 or 6 books a day as there is a limited supply of books available.</p> <p><b>Phonics</b> Watch the Letters and Sounds video each day according to the group information sent to you. <a href="https://www.youtube.com/channel/UCP_FbjYUP_UtldV2K_niWw/featured?disable_polymer=1">https://www.youtube.com/channel/UCP_FbjYUP_UtldV2K_niWw/featured?disable_polymer=1</a></p>	<p>Using your imagination pretend you are a raindrop and imagine the journey that the raindrop has been through.
