

**ALEXANDRA PRIMARY SCHOOL**

Dear Parents,

It is school policy that you notify us of your child's health problems. With the increase of asthma, allergies etc, it is vital that the relevant staff are aware of your child's needs so that appropriate action can be taken.

We would request that all parents fill in the form below and return it to the school in an envelope addressed to "Welfare Staff" marked "confidential."

If you answer yes to any questions you may be invited to come in and talk to a member of the welfare staff so that we have accurate and up to date information regarding your child's needs.

All information will be treated as strictly confidential. Thank you for your help.

Yours sincerely,

J Norton  
Headteacher
