Dear Nursery,

Please check below to see the home learning we would like you to complete over the Easter holiday. We would like to thank you and your parents for your hard work in these difficult times. This homework will be due back on the first day of the Summer 1 term (**Monday 19th April**). We would like you to continue sharing lots of story books and using the wordless books on Collins eBooks (<https://ops.collinsopenpage.com/sso/login?service=https%3A//ebooks.collinsopenpage.com/wr/index.html&eulogin=true>) over the week and enjoy some well-being activities. Have some fun with them as we all need to take a break!

Well done for all of your hard work. Please send us some of the outcomes of your amazing activities to the year group email address. Have an egg-cellent time!
