

Dear Nursery,  
Every **Monday**, you will see the weekly overview that sets out our learning for the week on the learning section of our school website. Please take note of the 'homework' section at the bottom of the grid, this identifies additional ways of supporting your child at home. If you see this symbol it means that we have also added a video to the school website. Should you have any questions or if you need any further guidance, please email the Nursery team [nursery@alexandra.hounslow.sch.uk](mailto:nursery@alexandra.hounslow.sch.uk)  
Thank you,  
The Nursery Team.

# Early Years Weekly Overview

## Home Work:

Please log on to <https://ebooks.collinsopenpage.com/> and use your username and password to access the wordless reading books on your online bookshelf.

Encourage your child to use the pictures to tell you a story. Can you model telling your child a story, can they then retell it to you?

Please continue to return story books on a Tuesday. Your child will choose two new story books on Friday this week.

Challenge: Can you draw a picture of all of the things that you would pack to take to the beach?

Your child will be bringing home a reading book in addition to their story book. This book is for them to hold and read to you. Please note that most of these books are wordless and promote language and story structure understanding which are important early reading skills.

Please have a look at home and return all school books to Nursery by the end of term.
