This week in Nursery the children will all be in for the full session. They will have lots of new children to meet and play with. We will be introducing some routines, such as sitting together to eat a piece of fruit at snack time. We will play alongside the children and support them with sharing, turn taking and building relationships.	This week we will focus on naming areas of our nursery. We will encourage the children to use words to explain where they would like to go and what they would like to do. For example "I would like to play in the garden" or "I need to use the toilet." **This week's key vocabulary** garden, toilet, sand pit, rainbow room, carpet area, home corner.	The children will have the opportunity to explore our resources and use a range of equipment. This includes pencils, paint brushes, chalks, balls and beanbags. We will encourage the children try and throw the beanbags into a target.
