Topic/Reading

This week in Nursery we will be sharing a range of story books. We will be encouraging the children to make choices about which book we read by voting. We will be talking about the reasons we enjoy certain stories.

This week we will be focusing on repeating patterns. The children will have many different resources available to copy and create their own repeating patterns.

This week we are focusing our People Who Help Us learning on Post people. Try some of these episodes on CBeebies to find out more.

Early Years Weekly Overview

Phonics

This week our focus is on alliteration. The children will be listening to, repeating and saying words that begin with the same sounds.

We will mainly focus on words that begin with the 't' sound.

If you would like more support on teaching alliterations here are the links to our website:

Time to Talk

You may ask your child what they have done at Nursery and they might be unable to tell you. By asking them a more specific question, it will support them to respond. Each week we will offer a suggestion of a topic to talk about with your child.

This week we will be adding to our bug hotel that we have been building in our garden.

Ask your child:

Tell me about the bug hotel.

How do you know the bugs will visit the hotel?
