

# Nursery Weekly Overview

Dear Nursery,  
Every **Monday**, you will see the weekly overview that sets out our learning for the week on the learning section of our school website. Please take note of the 'homework' section at the bottom of the grid, this identifies additional ways of supporting your child at home. Should you have any questions or if you need any further guidance, please email the Nursery team [nursery@alexandra.hounslow.sch.uk](mailto:nursery@alexandra.hounslow.sch.uk)  
Thank you,  
The Nursery Team.

**This half term our topic is: Wet Wonderful Water**

**This week we are focusing on: Commotion in the Ocean**

## Personal, Social and Emotional development

This week we are talking about independence and getting dressing on their own. Please make sure your child can take of their own jumper when hot and is able to put on their own shoes and socks.

## Communication and Language

This week we will be focussing on the book:

Listen to the story here:

<https://www.youtube.com/watch?v=JZMKFVx00Ak>

## This week's key vocabulary

Ocean animal names, ocean, wreck, glow and scamper

## Physical Development

We will continue to work on your child either copying the letters in their name or writing them from memory. Please remember to only use a capital letter at the beginning.

## Literacy

Whilst sharing your child's story books look at the text and reiterate that those are the words we are reading.

## Phonics

This week we are introducing the letter **p**. Think about how the letter looks and the sound it makes.  
**pirate and parrots**

## Maths

We are focusing on weight and introducing and reinforcing the vocabulary of heavy and light.

We do this by handling objects of different weight. Can you talk to your child about different weight at home.  
This brick is heavy and this feather is light.

## Topic

This is the first week of our new topic Wet Wonderful Water.

Please talk to your child about the different sea creatures they know and what they like about them.

Octonauts is a great kids TV programme based under the water.

## Home Work:

Please log on to <https://ebooks.collinsopenpage.com/> and use your username and password to access the wordless reading books on your online bookshelf.

Encourage your child to use the pictures to tell you a story. Can you model telling your child a story, can they then retell it to you?

Please continue to return story books on a Tuesday. Your child will choose two new story books on **Friday** this week.

**Challenge** - I spy lots of things beginning with 'p'. How many things can you spot that start with '**p**' in your home? pot, pop, pup, perfume, pirate, etc
