Member of Parliament for Brentford & Isleworth

16 July 2020

Hi

I hope you and your family are keeping well. Your last few months in Primary school will not have been quite as you had expected due to Covid-19, but I hope you have had the opportunity to get back into school or see some of your friends and teachers before the end of term.

Starting secondary school is a big change and a step towards your growing independence, I want to take this opportunity to wish you well in your new school. I hope that you can enjoy the summer holidays before starting at secondary school in September.

I have included a link below for the 11-15 year old zip card, I would encourage you to apply for one as this will offer you free bus travel and reduced fares on the train and tube (as long as the Government enables Transport for London to continue running the scheme).

I am always pleased to hear from young people and listen to their concerns, views, ideas and experiences. It provides me with an opportunity to make your voice heard both locally and in Parliament.

This year more than ever has seen young people come together to make their voices heard such as around #Black Lives Matter. I would be very interested to hear from you about how we can come together as a community locally to make black lives matter in Hounslow.

If I am your MP and there is anything you think I should know, something I could help you or your family with, or if you want to know more about my role as an MP, please do contact me. My contact details are at the bottom of the page.

Yours sincerely,

Ruth Cadbury
