

# Early Years Home Learning

**This half term our topic is: 'We're Going on a Journey'**

Personal, Social and Emotional development	Communication and Language	Physical Development
<p>Your child has been at home for a while, when they are allowed, take your child to have a run around at the park or use outside space. (see physical development)</p>	<p>Encourage your child to listen and enjoy stories. Read their school library book to them. Share and talk about their favourite part of the story.</p> <p style="text-align: center;"><b>This week's key vocabulary</b></p> <p>Amazon, South America, Brazil,</p>	<p>Take an opportunity to exercise, encourage fluent movements such as running, hopping and skipping. (Links with Personal, Social and Emotional development).</p>
Literacy	Maths	Topic
<p>Using the tricky words in the phonics packs encourage your child to practise spelling the words. Hear your child read their reading books. Make a comment in the Reading Log to let the class teacher know how they responded to the reading. Remember to read books on Bug Club...your log in is attached to your reading log.</p>	<p>Our maths focus this week is the number 5. Offer lots of opportunities for your child to count 5 objects, for example 5 toys, 5 socks from the drawer.</p> <p>Extend your child's understanding of the number 5 by showing your child 5 fingers on your hands. Can they tell you how many fingers there are without needing to count them? Can you show them a different way to show 5 fingers? Can your child show 5 fingers in different ways?</p>	<p>This week we are learning about South America and the Amazon. Watch <a href="https://www.youtube.com/watch?v=9GuvP9Nv2hw">https://www.youtube.com/watch?v=9GuvP9Nv2hw</a></p> <p>and learn about Brazil. Talk about things that are the same and things that are different between Brazil and England.</p>
Phonics	<p>Recap on showing different numbers of fingers aiming for your child to be able to respond quickly without the need to count their fingers each time.</p>	
<p>Using the phoneme cards sent home in the plastic wallet, practise recalling the sounds (not the letter names) of each of the letters. Learn to instantly recall the tricky words.</p>
