

Weekly Overview

Alexandra
Primary School

Aspire, Perform, Succeed

Year Group: Reception

Week beginning: 15th January 2024

Dear Reception,

Every **Tuesday**, you will see the weekly overview that sets out our learning for the week on the learning section of our school website. Please take note of the homework section at the bottom of the grid, this identifies additional ways of supporting your child at home. We ask that tasks are completed by the following Friday to allow new activities to be set at the start of the next week. Please look out for other videos and information too that will be uploaded onto Google Classroom. Should there be any problems with completing the home learning or if you need any further guidance, please email the Reception team on reception@alexandra.hounslow.sch.uk

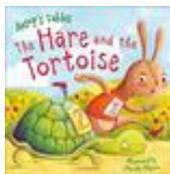

Thank you,

The Reception Team

This week our topic is: BUILDINGS

Personal, Social and Emotional development

We are going to continue to discuss challenges, which may seem a bit tricky, and the importance of keep trying and not to give up.

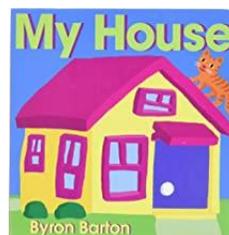

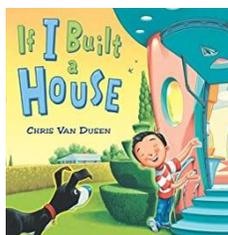

Key Vocabulary

Topic: building, gutter, roof tiles, windows, bricks, cement

Maths: record, numeral, picture, subitise, how many?

Communication and Language

This week many of the stories will relate to buildings. The children will be encouraged to recall the stories using well-formed sentences. As the stories are being read to them, the children will be encouraged to predict what may happen next, express what their favourite parts of the stories. The children will also find out information from non-fiction texts.

Physical Development

For gross motor skills, the focus of learning will be on skills associated with using climbing equipment. **Please ensure your child is wearing their PE kit on a Monday and are not wearing earrings.**

The children will have opportunities to practise their fine motor skills using different resources in the environment and through handwriting practice.

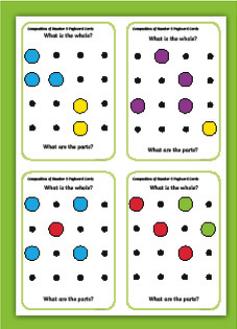

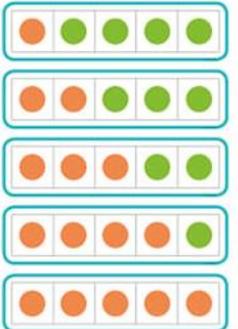

Topic

This half term we are going to be learning about buildings. Will start by asking what is a building? We will then continue by looking at different features that buildings have and the extend the learning by looking at buildings around the world.

We will explore the work of the artist Schulten and replicate his style of art.

Weekly Overview

Literacy	Maths
<p>The children will be blending and segmenting sounds to read and write captions and words. The children will be encouraged to engage with books independently.</p>	<p>In maths, the focus will be on exploring making numbers to 5 in different ways, aiming to create a quick recall of facts and using different ways to record findings. The children will also be practising quick recall of numbers through subitising as well.</p>
<p style="text-align: center;">Phonics</p> <p>The focus for phonics this week is to recap the sounds and tricky words taught to date. The children will continue to learn phase 3 digraphs short oo, long oo, ar and or and the word 'was'. The children will learn the sounds not the letter names. Using the phonics pack please support your child to learn the sounds and make words to sound out and read. There will be additional sounds in the pack this week.</p>	<div style="display: flex; justify-content: space-around; align-items: center;">   </div>
<p>Homework:</p> <p>It is important to hear your child read every day. Please listen to your child read the reading books sent home each day and comment in the reading log that you have heard them and provide us with a comment saying how they have read that day. All children will receive 2 reading books and a library book each week.</p> <p>Practise learning the phonics sounds and tricky words sent home each Friday aiming for your child to have a quick recall of the sounds. Try making words using 3 sounds from the letter pack.</p> <p>It is also important that your child hears stories. Please share and read the library book to your child.</p> <p>Please ensure your child brings their book bag and books to school every day.</p> <p>There are some books on Bug Club, please log in and listen to your child read the books.</p>
