

Weekly Overview

Dear Reception,

Every **Tuesday**, you will see the weekly overview that sets out our learning for the week on the learning section of our school website. Please take note of the homework section at the bottom of the grid, this identifies additional ways of supporting your child at home. We ask that tasks are completed by the following Friday to allow new activities to be set at the start of the next week. Please look out for other videos and information too that will be uploaded onto Google Classroom. Should there be any problems with completing the home learning or if you need any further guidance, please email the Reception team on reception@alexandra.hounslow.sch.uk

Thank you,

The Reception Team
