

Alexandra

Primary School

Aspire, Perform, Succeed

Sport Premium Expenditure and Impact for 2020-21

Alexandra received Sports Premium funding at the following levels:

Financial Year	Total Sport Premium Funding
2020-21	£21,400

At Alexandra Primary School we aim to encourage all children to:

- **Aspire to be successful learners who enjoy learning**
- **Perform as well as they can, make progress and achieve and become confident individuals who are able to live safe and fulfilling lives**
- **Succeed as responsible citizens who make a positive contribution to society**

... and when children enter their next stages of education and then ultimately employment the young people know that educators and employers want them to have the following attributes; to have...

- a good grasp of basic knowledge and skills;
- be reliable, take responsibility and show resilience;
- an ability to build and maintain relationships;
- an ability to work collaboratively in a team;
- creativity and use problem solving skills.

Alexandra Primary School is dedicated to promoting healthy and active lifestyles and to providing a wide range of Physical Education & sporting opportunities for all of its pupils. The sports premium is being used to develop staff skills in delivering high quality PE and provide additional sporting opportunities for all pupils.

Sport Premium is being used to access support from the local sports partnership Sport Impact. This provides access to a range of local competitions for all children in KS1 and KS2, including SEN and disadvantaged children. Sports Impact organises an annual programme to get more pupils participating in competitive sport. They also provide partnership links with other schools and local sports clubs providing a route for children into coaching at local, county and national level.

This year, despite further restrictions due to Covid 19, the school has continued to invest in Dance, Gymnastic and a breathing technique package to help maintain the wellbeing of all children, especially for the keyworker children who attended school during lockdown. These packages are run by qualified staff with subject specific training in sports like gymnastics, football and dance, and is supporting the school's existing PE leader and class teachers to deliver quality teaching and learning and the further development of our longer-term vision for PE and Sport in the school. Dance Energy also provide lunchtime and after school clubs, ranging from Cheerleading to Disney Dance.

At Alexandra Primary School, sport is encouraged through extra-curricular activities at lunch, before and after-school. Activities offered include Netball, Archery, Girls Netball, Mixed Hi-Five Netball, Boys Football, Cricket, Athletics, Badminton and Dodgeball, with the hope of introducing new sports this academic year.

The PE and sport premium has continued to increase the engagement of both pupils and staff in PE and Sport. Teachers focus on raising pupils' self-confidence, achievement and developing skills and knowledge, not only in their PE lessons but across all other curricular subjects.

How was Sport Premium spent in 2019-2020?

Sport Premium was directed towards supporting teachers develop their confidence, knowledge and skills. They were identified through a range of audits. The funding was also used to provide further opportunities for children to take part in sport and in less mainstream sports, such as, hockey, boccia and kwik cricket.

Sport premium funding was allocated to the following categories in 2019-2020:
