Hello Year 6 legends,

Every **Monday** you will see a new chart of some activities that you can do to keep yourself busy and keep your brain active! Please remember to balance your online home learning with activities that promote your well being too! Just like you would at school, make sure you take breaks every so often.

Well done for all of your hard work this week – you are all doing so well and we are very proud of you. Remember to send some work into apsallstars@alexandra.hounslow.sch.uk so that we can see what you have been doing.

Science

Have you ever wondered how electrical appliances such as phones and torches can be used without being plugged into an electricity source?

Use the website below to read about different types of batteries and how they work.

<https://kids.britannica.com/kids/article/battery/390651>

You can see that there are two types of batteries: **primary and secondary.**

Your task:

Make a list of primary and secondary batteries sources that are used in certain appliances throughout your home.

For example (to start):

Primary batteries	Secondary batteries
TV remote Torch	iPad

History

You will continue working on your WWII information booklet. It should include everything you have learnt in this topic.

This should be your best work and will be shown to the Year 5s next year, so ensure you put in a lot of effort and care into your presentation.

Remember, you can include additional information!

Your information booklet should include:

- **Causes of WW2**
- **The Blitz**
- **Evacuations**
- **Rationing**
- **D-Day**
- **The end of the war/VE Day**
- **Leaders during this time**

Ensure you include, photographs and diagrams with labels.

Art

This week you will be practicing your single-line drawing skills. You will try to draw a face (perhaps a family member or yourself) in **one single line**. This means you cannot lift the pencil **at all!**

There are images attached to guide you **or** you can use YouTube for some extra ideas.

Please send in your beautiful artwork to APS Allstars!

Remember to put your name and class on it!
