# **Week Beginning 11<sup>th</sup> May, 2020**

LI: I can explain which places are special for Buddhists.

## **Success Criteria**

- I can paint and decorate a Buddhist temple.
- I can participate in meditation to understand how Buddhists worship.

# Special Places

# Stupa

Buddhists worship at home or at a temple.

Buddhist temples are a variety of different shapes.

Two of the most known styles are:

the pagodas in China and Japan

the Stupa

# Worship

When Buddhists worship they sit on the floor.

They make sure their feet are facing away from an image of the Buddha.

They have their head and body facing the image of the Buddha.

Can you sit like a Buddhist worshipping?

# Puja

- Buddhist worship is called puja.
- During this Buddhists chant to show their love for the Buddha.
- During puja Buddhists make offerings of flowers, incense, candles and pure water at a shrine and they thank Buddha for his teachings.
- Each month there are Buddhist special religious days (often when there is a full moon) and it is these days when most Buddhists go to temples.
- When Buddhists worship alone they usually meditate and read from Buddhist holy books.
- Meditation is when Buddhists try to empty their minds of all thoughts.
