Weekly Home Learning

Dear Year 1,

Please check below to see the home learning we would like you to complete over the Easter holiday. We would like to thank you and your parents for your hard work in these difficult times. This homework will be due back on the first day of the Summer 1 term (**Monday 19th April**). We would like you to continue with your reading and Maths over the week and enjoy some well-being activities. Have some fun with them as we all need to take a break!

Well done for all of your hard work. Please send us some of the outcomes of your amazing activities to the year group email address. Have an egg-cellent time!

The Year 1 team.

Maths	Reading and Grammar	Topic project	Well-being activities
<p>This term we have been learning all about measurement. For your homework, we would like you to experiment with measuring different things in your home.</p> <p>You could use:</p> <ul style="list-style-type: none">• Scales• Ruler• Tape measure• Measuring jugs <p>Order the things you measure from longest to shortest, heaviest to lightest, most to least.</p>	<p><u>Letters and Sounds</u> We have been learning the alternative spellings in Phase 5. You can recap on these using the link below. https://lettersandsounds.org.uk/for-home/year-1</p> <p>Create your own Boggle game using the alternative pronunciations as well. You can play it with someone at home. Please read every day. It is so important to read as this helps unlock all of your other learning. Go onto: www.activelearnprimary.co.uk</p> <p>Also log onto Doodle English and choose an activity. www.doodleenglish.com</p>	<p><u>Science</u> We have been learning about the different seasons and the weather.</p> <p><u>Task</u> To create the weather forecast for the day using the different symbols.</p> <p><u>Challenge!</u> You could get someone to record you presenting the weather like they do on TV!</p> <p><u>Investigations</u> You can use your learning to carry out one or more of the investigations.</p> <p>Click on the links: https://www.steamsational.com/weather-science-for-kids/</p>	<p>Revisit the APS 50 things to do. (see attached)</p> <p>Choose 2 things on there that you have not done. Make sure they are things that interest you and your family. Record what you did by drawing or taking a photo and writing a short description of how it went.</p> <p>Did you enjoy it? Why? Who did you do it with? What did you need? How long did it take? Would you recommend it to a friend?</p> <p>You can try some of the mindfulness exercises on the links below; https://www.youtube.com/watch?v=kxk78inN-3Y https://www.youtube.com/watch?v=I1bBI-BT9c4 https://www.youtube.com/watch?v=70j3xyu7OGw</p>

Rain Cloud in a Jar

You will need:

Method:

1. Fill the large jar with water, leaving 2 inches at the top.
2. Add the shaving cream to the top of the water until it reaches the top of the jar.
3. Next, add 1 cup of water to the small bowl and 3 drops of blue food colouring.
4. Mix the water and food colouring together.
5. Use the pipette to add drops of the water mixture to the top of the shaving cream cloud.
6. Continue adding the water mixture until you begin to notice the raindrops begin to break through the bottom of the cloud.

50 fun things you can do at home during half term

Become a photographer— use a phone or camera to take some interesting photos.

Do some baking—follow one of the easy recipes provided.

Build a reading den—get your favourite book and snuggle up.

Plant some seeds and watch them grow.

Paint a rock—try to make it into something that you can look at to brighten up your day.

Use your sewing skills— make something useful or fun.

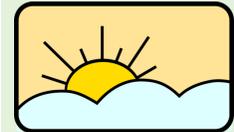

Story time—take it in turns to read to each other. Use different voices to help the story come alive.

Start a diary—it could include what you do each day or your hopes, thoughts or feelings.

Create some wild art— find things at the park or in your garden and turn it into a piece of art.

Get up early and watch the sunrise.

Try finger painting— get messy and see what you can create using your fingers.

Learn to say hello in 10 different languages.

مرحبا بالعالم! **Hallo Welt!**
Hello World!
Hej Värld! **Ciao Mondo!**
ハローワールド! 世界您好!
Saluton Mondo!
¡Olá mundo! Salut le Monde!

Play a game like Charades or Pictionary.

Go cloud watching - what shapes can you see in the clouds?

Create your own exercise routine— you could be the next Joe Wicks.

Go bird watching— either on a walk or from your window.

Call or message someone you haven't seen for a while—remember to ask for permission first.

Make a wooden spoon puppet— turn a wooden spoon into anything from a ballerina to a dragon.

Have a movie night with your family—get out the popcorn and choose a good film to watch together.

Race paper aeroplanes— which ones go furthest? Remember not to leave them lying around as litter.

Build something—you could use lego, card, playdough. What can you create?

Make a healthy smoothie—use some of your favourite fruits if you can.

Build a home for wildlife—it could be small insects or something bigger like a bird or fox.

Thank a hero— write a letter or card to someone you think is a hero.

Film a Vlog— a day in your life during lockdown.

Choose a few of these activities to try over half term.

50 fun things you can do at home during half term (part 2)

Make a pizza from scratch — choose your favourite toppings.

Write a list—it could be things that make you happy, what you are grateful for or good at.

Design and draw a new species of animal— you could use some characteristics of other animals in your design.

Treasure hunt— write the clues and hide them around the house see who can find the treasure first.

Create a family kindness jar— every time someone does something kind write it down and put it in the jar.

Write and perform a song or a rap —choose a topic that interests you to sing about.

Design your own theme park— what rides would you include? Where would it be? What theme would it have?

Play the alphabet game—choose a topic and try to think of a word beginning with each letter of the alphabet.

Write a recipe for happiness— what are the most important ingredients?

Have a go at origami

Write some jokes or riddles and tell them to your family.

Junk modelling— collect recycling items from around your home and see what you can create with them.

Become a time traveller—travel to a different time, write a story or draw a picture about what it is like, who you meet etc.

Make your own bookmark when you are reading.

Make up a dance routine to your favourite song.

Potato printing— cut a design into an old potato and use to it print a pattern on some paper

Become a superhero for a day —how will you help others when they need it? You could design your own superhero outfit.

Become a quizmaster — write your own quiz for your family. Who will win?

Draw your view— sketch what you can see from your window.

Make a scrapbook— include anything you have around your home that has a meaning or memory for you.

Create a family album or a family tree.

Make some jewellery—use things you have around the house.

Have a compliment day— say kind things to people as often as you can for the day.

Have a living room picnic—put down a sheet and make a picnic indoors.

Hello Me—write a letter to yourself that you will open in 10 years time.

Choose a few of these activities to try over half term.

Recipe for:

Oat Crunchy Biscuits

Makes 25 Portions

Ingredients:

- 250 Grams Plain Flour
- 200 Grams Margarine
- 165 Grams Sugar
- 120 Grams Oats
- 25 Gram Golden Syrup
- 15 Grams Baking Powder
- 5ml Water

Equipment:

- Baking Tray
- Mixing Bowl
- Spoon
- Scales/Jug

Description:

These quick and simple Oat Biscuits are made with golden syrup for a delicious, sweet flavour.

Instructions:

- Pre heat oven to 160C
- Cream margarine and sugar and golden syrup together
- Add the flour, oats and baking powder
- Add the water to bind together
- Roll out into a sausage and cut into portions and flatten onto the greased baking tray
- Bake in the oven for approximately 20 minutes.

Recipe for:

Shortbread

Makes 25 Portions

Ingredients:

- 440 Grams Plain Flour
- 250 Grams Margarine
- 125 Grams Sugar

Equipment:

- Baking Tray
- Mixing Bowl
- Spoon
- Scales

Description:

Shortbread is a traditional Scottish biscuit.

Shortbread is so named because of its crumbly texture (from an old meaning of the word "short," as opposed to "long," or stretchy).

Instructions:

- Pre heat oven to 160C
- In your mixing bowl cream the margarine and sugar
- Add the flour and mix
- Divide into biscuits on place on a greased baking tray and prick with a fork
- Bake in the oven for approximately 15 minutes.
