| We have received a request for help from the NHS. They would like children from APS to contribute their artistic skills to help decorate the new Nightingale Hospital in London. They are looking for bright and cheerful drawings and messages of hope that they can display in the wards, which will help to cheer up the patients and NHS workers. Please could you spend some time this week creating an A4 picture and send it to the address below, where it will be laminated and sent on to the hospital. You don't have to do just one picture, if you have lots of ideas you can do as many as you like. Please remember -- do not to put any personal information on the pictures, other than perhaps your first name if you want to.<br>If you have a twitter account you can sent it to #RainbowsForNightingale. If you do not have access to twitter then send it to apsallstars@alexandra.hounslow.sch.uk | | | |
