Weekly overview of learning

Every Tuesday, you will see the weekly overview that sets out our learning for the week on the learning section of our school website and on Google Classroom. This is the work that children will be doing in school. Please take note of the 'Homework' section at the bottom of the grid. This replaces the home learning grid. Homework will be set on Tuesday and will be expected to be completed by the Monday of the following week.

Year 1	Monday	Thursday	Friday
Reading text	 <p>Dave and the Tooth Fairy</p>	 <p>Dave and the Tooth Fairy</p>	 <p>Dave and the Tooth Fairy</p>
Reading LI	LI: To produce a storymap	LI: To describe a character	LI: To summarise a text
Reading Introduction and task	<p>This week we are continuing to read the story <i>Dave and the Tooth Fairy</i>. Today we will reread the story before discussing the plot and main characters.</p> <p>The task today is to produce a story map to help us remember the plot of the story and will help us sequence the story in the correct order.</p>	<p>Today we are going to read the story again. We will focus on discussing the main character of Dave. We will think about what he looks like, what his personality is and what he does in the book.</p> <p>The task today is to describe the main character of Dave on our whiteboards.</p>	<p>Today we are going to reread the story and think about the story map that we made on Monday. We will then use this to help us summarise the book on whiteboards. We will discuss what a summary is and how they can help us to remember a plot of a book.</p> <p>The task today is to summarise the story of <i>Dave and the Tooth Fairy</i> on our whiteboards.</p>

Weekly overview of learning

Every Tuesday, you will see the weekly overview that sets out our learning for the week on the learning section of our school website and on Google Classroom. This is the work that children will be doing in school. Please take note of the 'Homework' section at the bottom of the grid. This replaces the home learning grid. Homework will be set on Tuesday and will be expected to be completed by the Monday of the following week.

Introduction	This week we are beginning our new class text for this half term. This half term we will be focusing on the book <i>Amazing Grace</i> . Today we will discuss what we think may happen in the story based on the front cover.	Today we will read and act out the story of <i>Amazing Grace</i> . We will think of actions that go along with the book. These will help us to remember the story better!	Today we will think about what visualising is and how it can help us retain information about the book. We will recap the story by acting it out before discussing the stories' characters and plotlines.	Today we will read and act out the story of <i>Amazing Grace</i> cementing it into our memory. We will then discuss what sequencing means and how we can put information in the correct order.	Today we will reread the story of <i>Amazing Grace</i> . We will act it out and discuss the characters and plots with our friends. We will then go through the sequencing that we completed yesterday and how it can help us when retelling the story.
Activities	Today we will be writing our own predictions on what may happen in the story <i>Amazing Grace</i> . We will be looking closely at the front cover of the book.	Today we will act out the story of <i>Amazing Grace</i> . If time permits we will perform the story to our friends.	The task today is to visualise the story of <i>Amazing Grace</i> by listening to snippets of the text and drawing what we imagine.	Today we are going to sequence the story of <i>Amazing Grace</i> . This will help us when retelling the story tomorrow.	Today we are retelling the story of <i>Amazing Grace</i> in our books. We will focus on remembering the beginning, middle and end of the story.

Weekly overview of learning

Every Tuesday, you will see the weekly overview that sets out our learning for the week on the learning section of our school website and on Google Classroom. This is the work that children will be doing in school. Please take note of the 'Homework' section at the bottom of the grid. This replaces the home learning grid. Homework will be set on Tuesday and will be expected to be completed by the Monday of the following week.

Year 1 Maths	Monday	Tuesday	Wednesday	Friday
Maths	LI: To find the difference (practical)	LI: To find the difference	LI: To make fact families (practical)	LI: To make fact families
Key vocabulary and key questions	<p>Key Vocabulary: Difference More Fewer Subtract</p> <p>Key Questions: What is the difference? How many more? How many fewer? How can you find the difference?</p>	<p>Key Vocabulary: Difference More Fewer Same Different Subtract</p> <p>Key Questions: What is the difference between ___ and ___? How many more? How many fewer? Can you write a subtraction number sentence?</p>	<p>Key Vocabulary: Fact families Addition Subtraction Equals Number sentence Part-whole model</p> <p>Key Questions: How are the numbers linked together? Can you think of an addition number sentence? Can you think of a subtraction number sentence?</p>	<p>Key Vocabulary: Fact families Addition Subtraction Equals Number sentence Part-whole model</p> <p>Key Questions: Can the whole number go at the start of a number sentence? Can you write 8 number sentences for each fact family? How can you check your number sentences?</p>
Introduction	Today we are looking at finding the difference between two sets of pictures (e.g. 5 cars and 3 cars). We will look at what is the same (they both have 3) before finding how many more or fewer there are (there are 2 more or 2 less).	Today we will continue to find the difference. We will count how many of each set of objects and how many altogether. We will also start writing number sentences to show what we have found out.	Today we will start looking at fact families (3 numbers which are linked together e.g. 3, 4, 7). We will discuss how many number sentences we can write just using these 3 numbers. We will complete some examples together using both addition and subtraction symbols.	Today we will continue to look at fact families. We will learn that you can write 8 number sentences just from 3 numbers! We will practise writing number sentences using part whole models and other numerical images. We will also look at finding mistakes when writing number sentences
Activities	In pairs or groups, children will look at different numerical pictures and see if they can find the difference.	The children will attempt to answer finding the difference questions in their books. They will try to write subtraction number sentences about the pictures.	In pairs, children will be given sets of 3 numbers and blank number sentence templates to fill in. They will try to create as many number sentences from the 3 numbers as they can.	In their books, children will practise writing as many number sentences for each fact family. They will try to use the = symbol at the start of the number sentence (e.g. $8 = 6 + 2$).

Weekly overview of learning

Every Tuesday, you will see the weekly overview that sets out our learning for the week on the learning section of our school website and on Google Classroom. This is the work that children will be doing in school. Please take note of the 'Homework' section at the bottom of the grid. This replaces the home learning grid. Homework will be set on Tuesday and will be expected to be completed by the Monday of the following week.

Reading	Science	Geography	RE
<p><u>Daily for 20 minutes</u></p> <p>Read different types of writing: a picture book, an adventure story, poems, newspaper, comic, cereal boxes, instructions for games and the reading books sent home.</p> <p>Phonics <u>APS Phonics- Phase 5 - Taught daily</u></p> <p>This week, the children will be starting phase 5 phonics. The focus is for children to recognise and use alternative phase 5 sounds such as, wh /w/ (as in when), wh /h/ (as in who), ph /f/ (as in dolphin) and ew /oo/ (as in blew). Next, children will practise segmenting and blending in order to read words and sentences containing these sounds. Finally, they will use their phonic knowledge to write word associated sentences.</p> <p>The tricky words for this week are: Mrs and looked The high frequency words this week are: about, your and day.</p> <p>Sounds to practise this week: wh (w) wh (h) ph (f) ew (oo)</p>	<p><u>LI: To learn about habitats</u></p> <p>Introduction: This week we will be learning about animals and their habitats. We will be learning about woodlands and which animals live in this habitat.</p> <p>Task: We will be discussing different animals and their habitats in the woodlands. Children will make a poster with 3 facts they have learnt about woodlands and animals that live there.</p> <p>Key questions: habitat woodlands facts</p> <p>Key Questions: What is a habitat? Why do different animals have different habitats?</p>	<p><u>LI: To observe my local area</u></p> <p>Introduction: This week we will be learning about our local area and what we can see around our area.</p> <p>Task: Children will be writing about the places they see in their local area and how they use them.</p> <p>Key words: Local area Hounslow Alexandra Primary School</p> <p>Key questions: What is the name of our local area? What can we see in our local area? What are the places of interest used for?</p>	<p><u>LI: To learn about the meaning of gifts in the Christmas Story</u></p> <p>Introduction: This week we will begin looking at the Christmas Story. We will read the story in the Bible and discuss the importance of the gifts that the Three Wise Men bring for Jesus.</p> <p>Task: We will be drawing the gifts given in the Christmas Story and writing sentences about what was given and who gave the gifts.</p> <p>Key Questions: Why do people buy gifts for babies? What is the difference between the gifts bought for Baby Jesus and gifts bought for another baby? Who gave the gifts?</p> <p>Key Words: gifts, importance, Jesus, Three Wise Men, Gold, Frankincense, Myrrh</p>
