

Weekly Home Learning

Dear Year 3,

Please check below to see the home learning we would like you to complete over the Easter holiday. We would like to thank you and your parents for your hard work in these difficult times. The online homework should be completed by the first day of the Summer 1 term (**Monday 19th April**). We would like you to continue with your reading and Maths over the week and enjoy some well-being activities. Have some fun with them as we all need to take a break!

Well done for all of your hard work. Please send us some of the outcomes of your amazing activities to the year group email address. Have an egg-cellent time!

The Year 3 team.

Maths	Reading and Grammar	Topic project	Well-being activities
<p>Along with your <i>daily Doodle Maths activities</i>, we would like you to revise some of the work we have done in Statistics over the past two weeks and to start thinking about Fractions, which we will cover in the Summer term.</p> <p><u>Doodle Maths Extras</u> Fractions preview:</p> <ul style="list-style-type: none"> - Numerators and denominators - Shading simple fractions <p><u>Doodle Maths Extras</u> Statistics review:</p> <ul style="list-style-type: none"> - LI: to read and interpret information from tables - LI: To read and interpret information from bar charts 	<p>You should aim to read a little every day over the holidays. Reading is extremely important as it helps you to make connections in your learning. Record whatever you read in your Pupil Planner and ask an adult to sign your planner for you.</p> <p><u>Bug Club</u> You have all been assigned the following plays to read:</p> <ul style="list-style-type: none"> - 'The Smell of the Cakes' - 'The Escape' - 'Robbie Ravenbeak' <p>In addition, as preparation for our upcoming topic of 'Ancient Greece', we would like you to read 'Work! Work! Work!', a collection of 3 plays based on the myth of the Labours of Hercules! (Bug Club)</p>	<p><u>Science</u></p> <p>You will use your scientific skills of predicting, setting up simple practical enquiries, observing over time and gathering and recording data for this simple Science project! As part of your learning about plants and what they need to live and grow, you have each planted 2 broad bean seeds. You will take one of these seeds home to observe. Make sure you complete the booklet you have been given over the next 5 or 6 weeks.</p> <p><u>History</u></p> <p>In preparation for our new history-based topic of Ancient Greece, we would like you to complete a KWL grid to show us what you already know and to share any questions you might have about the people of Ancient Greece and their lives.</p>	<ul style="list-style-type: none"> - Re-visit the APS 50 things to do, which is attached. Select some activities from the list to do by yourself or with a family member! - Spend as much time as you can outdoors! Observe the plants, trees and flowers that are growing and blossoming at the moment. What changes do you notice as the weeks go on? - Re-visit some of the activities that were added to Google Classroom for 'Wellbeing Wednesdays'. How many of them can you try? Can you get someone else to join you? - Make at least one day a week a 'no screen day'!

Eureka! – Ancient Greece

What I have learnt

50 fun things you can do at home during the Easter holiday

Become a photographer— use a phone or camera to take some interesting photos.

Do some baking—follow one of the easy recipes provided.

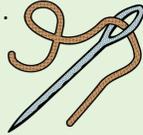

Build a reading den—get your favourite book and snuggle up.

Plant some seeds and watch them grow.

Paint a rock—try to make it into something that you can look at to brighten up your day.

Use your sewing skills— make something useful or fun.

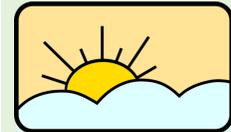

Story time—take it in turns to read to each other. Use different voices to help the story come alive.

Start a diary—it could include what you do each day or your hopes, thoughts or feelings.

Create some wild art— find things at the park or in your garden and turn it into a piece of art.

Get up early and watch the sunrise.

Try finger painting— get messy and see what you can create using your fingers.

Learn to say hello in 10 different languages.

مرحبا بالعالم! **Hallo Welt!**
Hello World!
Hej Värld! **Ciao Mondo!**
ハローワールド! 世界您好!
Saluton Mondo!
¡Olá mundo! Salut le Monde!

Play a game like Charades or Pictionary.

Go cloud watching - what shapes can you see in the clouds?

Create your own exercise routine— you could be the next Joe Wicks.

Go bird watching— either on a walk or from your window.

Call or message someone you haven't seen for a while—remember to ask for permission first.

Make a wooden spoon puppet— turn a wooden spoon into anything from a ballerina to a dragon.

Have a movie night with your family—get out the popcorn and choose a good film to watch together.

Race paper aeroplanes— which ones go furthest? Remember not to leave them lying around as litter.

Build something—you could use lego, card, playdough. What can you create?

Make a healthy smoothie—use some of your favourite fruits if you can.

Build a home for wildlife—it could be small insects or something bigger like a bird or fox.

Thank a hero— write a letter or card to someone you think is a hero.

Film a Vlog— a day in your life during lockdown.

Choose a few of these activities to try over the holiday.

50 fun things you can do at home during the Easter holiday (part 2)
