

Weekly Home Learning

Dear Year 4,

Every **Tuesday**, you will see the homework that has been set for the week in the learning section of our school website.

<https://www.alexandra.hounslow.sch.uk/index.php/curriculum-overview>

We ask that tasks set are to be completed by the following **Monday**.

Should there be any problems with online access or if homework needs to be explained again, if your child can let their class teacher know before Monday so that we can support your child.

Year 4 will be able to access the Computing suite at school on a Wednesday.

Thank you,

Ms Conway, Mr Cuell, Ms Mayne

Reading and Grammar	Maths	Topic / other Foundation subject (including Writing)
<p>Reading homework:</p> <ul style="list-style-type: none"> Please read to an adult every day and record this in the reading log in your pupil planner. Doodle English: complete the allocated task This week's task is: Organising information into paragraphs <p>Grammar Bug homework: Complete the allocated task This week's task is: Formal language</p>	<ul style="list-style-type: none"> Doodle Maths: do the allocated tasks This week's task is: Subtraction of 4-digit numbers with an exchange My Maths: do the allocated tasks This week's task is: Addition and Subtraction 	<p>My Body Project</p> <p>This half term, we will be learning about 'Animals including humans' in Science. In English, we will be learning about information texts. By the end of this homework project, you will have created your own set of information posters all about the human body.</p> <p>Task: This week, you need to create an information poster about the digestive system. Your poster should include:</p> <ul style="list-style-type: none"> a labelled diagram of the organs that make up the digestive system (Challenge: could you use flaps, so that when the picture of the organ is lifted, further information is underneath?) an introductory paragraph, explaining what the digestive system is. further sub-headings with information about the different processes that happen at each part of the digestive system. <p>https://www.youtube.com/watch?v=P16ik1pH4_8 https://www.bbc.co.uk/bitesize/topics/z27kng8/articles/z9wk7p3</p>
