

Weekly Creative Home Learning

Every **Thursday**, you will see a new chart of some activities that you can do to keep yourself busy and keep your brain active! Please remember to balance your online home learning with offline activities that promote your well-being too! Just like you would at school, make sure you take regular breaks.

Dear Year 4,

We hope you are all keeping well and making the most of this strange situation in which we find ourselves!

Well done to everyone who has been working hard from home. ***Please continue to access home learning. Miss Hynes, Miss Conway and Mr. Cuell are checking your online learning regularly so make sure you attempt some of the tasks that we have set you.*** If you have not been online yet, now is the time to take a look. It is very important that you keep up with all your learning so that your brain stays busy and so that you are familiar with our new topics when school restarts.

The grid below contains a wide range of learning activities. There is plenty to keep you busy and engaged for the week. Don't rush an activity. We want you to take great pride in what you can do in and your finished piece of work.

If you are having issues logging in or are not sure what home learning you need to be doing, please contact the school at office@alexandra.hounslow.sch.uk.

Send pictures of your other work (e.g. photos of lego models, science experiments or written work) to apsallstars@alexandra.hounslow.sch.uk so that we can upload it onto the school website. (To see what's been sent in already, go to school website, click on 'Gallery' and then 'APS All Stars').

We miss you. Keep up the good work. Remember, you are not stuck at home, you are **safe at home!**

Miss Hynes, Miss Conway and Mr. Cuell.

N.B.

Please make a note that BBC Bite Size will be introducing special daily lessons for while everyone is at home. These will start on the 20th April and more information can be found at <https://www.bbc.co.uk/bitesize/articles/zn9447h>

Reading	Writing	Maths	PE
<p>Keep reading! Read as many types of text as you can find! Read aloud to your family, pets or favourite toy. Take the time to think about new words you come across. How will you be able to use them in the future?</p> <ul style="list-style-type: none"> • Bug Club - access your account to read what your teacher has allocated. Remember to answer the comprehension questions carefully as you go! • Reading Plus – log in to read short texts and build up your reading stamina, comprehension skills and range of vocabulary. • Audible - free books. Audible is offering hundreds of titles completely free of charge. These are available in different languages. 	<ul style="list-style-type: none"> • Doodle English – your teacher has assigned you extras as well as the general daily activities! • Create a persuasive text or poster to encourage people to wash their hands regularly. <ul style="list-style-type: none"> - Can you think of a catchy slogan that people will remember easily? (Maybe even create a song!) - What will your argument(s) be? - Clearly present your points. - Use the present tense. 	<p>Your teacher has assigned you work on:</p> <ul style="list-style-type: none"> • Mathletics • Doodle Maths - your teacher has assigned extras as well as the general daily activities! <p>Now is the perfect time to practise your times tables skills!</p> <ul style="list-style-type: none"> • Hit the Button • Times Tables Rockstars (you have been assigned some tasks for the week) <ul style="list-style-type: none"> • Receipt Workout Look at the prices on a receipt. Find different combinations of coins and/or notes you could use to pay. • Perimeter and area Create a robot using squares and rectangles. Can you calculate the area and perimeter of your robot? <ul style="list-style-type: none"> - Can you make a robot pet using the same shapes? What is the area and perimeter? 	<ul style="list-style-type: none"> • <u>This week's task</u> Get creative and plan a 30-minute PE lesson of your choice. It must include a warm-up, skill and game. Record your idea in some way (video, poster or in writing...) • Joe Wicks PE sessions online – Monday-Friday 9am https://www.youtube.com/user/thebodycoach1/videos • Cosmic Kids Yoga and Mindfulness (You Tube) • <u>Last week's challenge:</u> How did you get on with last week's challenge? How many star jumps could you do in 2 minutes? Did you improve as the week went on? Remember to send your results and/or your photos to apsallstars@alexandra.hounslow.sc.h.uk
