

Weekly Home Learning

Dear Year 6,

Every **Tuesday**, you will see the homework that has been set for the week in the learning section of our school website. We ask that tasks set are to be completed by the following **Monday**. For example, if set on Tuesday 8th December, then we would expect to see it completed by Monday 14th December.

Should there be any problems with online access or if homework needs to be explained again, if your child can let their class teacher know before Monday so that we can support your child. Year 6 will be able to access the Computing suite at school on a **Wednesday**.

Thank you,

Mrs Carrasco, Miss King and Miss Carberry
