

Weekly Creative Home Learning

Hello Year 6,

Every **Monday** you will see a new chart of some activities that you can do to keep yourself busy and keep your brain active! Please remember to balance your online home learning with activities that promote your well-being too! Just like you would at school, make sure you take breaks every so often.

Well done for all of your hard work this week – you are all doing so well and we are very proud of you. Remember to send some work into apsallstars@alexandra.hounslow.sch.uk so that we can see what you have been doing.

Happy Easter and we will see you soon!

Mrs Carrasco, Miss King and Miss Carberry

Reading	Writing	Maths	PE
<ul style="list-style-type: none"> • Read different genres of Writing: a biography, classic novel, adventure story, poems, newspaper, cultural story. • Audible: In the wake of the novel coronavirus pandemic, Audible is offering hundreds of titles children ages 0-18 completely free of charge. These are available in different languages. • Reading Plus, Doodle English, Pixl Unlock: continue logging in and completing your usual activities. • Vocabulary Ninja: take a look at this week's words at the bottom of this file. Find the definitions of these words, try to use them in a sentence and then create your own wordsearch for a family member. 	<p>Instructional text Scroll down to the bottom of this file and look at the weekly rations for a family of four during World War II.</p> <p>Your task is to think of one sweet and one savoury dish that could be made from these ingredients. Write a set of instructions for making them.</p> <p>Include the following:</p> <ul style="list-style-type: none"> - An introduction - Ingredients - Method - Top Tips <p>Don't forget imperative (bossy) verbs and adverbials of time and manner.</p>	<ul style="list-style-type: none"> • Online learning: Doodle Maths, Mathletics, MyMaths, Times Table Rockstars. Links are available on the website. • White Rose Maths: follow the link below and complete the learning under Week 1 – Ratio. There are helpful videos to show you how to solve the problems. Answers are available for an adult to check your work with you. https://whiterosemaths.com/homelearning/year-6/ 	<ul style="list-style-type: none"> • Joe Wicks PE sessions online – Monday-Friday 9am https://www.thebodycoach.com/blog/pe-with-joe-1254.html • Cosmic Kids Yoga and Mindfulness (Youtube) <p>Be creative and plan a 30-minute PE lesson of your choice. It must include a warm up, skill and game. The best one will be used for our first PE lesson back.</p>

Science	History	Art
<ul style="list-style-type: none"> Research and investigate how light travels. https://www.ducksters.com/science/light.php <p>Investigation: Equipment: a torch, 3 small squares of card, a holepunch, blue tac. Method: 1. Use a holepunch to make a hole in the centre of each piece of card. 2. Use the blue tac to make them stand vertically upright. 3. Try to shine the light from your torch through all three holes. You may need to change the position of each card Record your prediction and observations. Consider the following questions:</p> <ol style="list-style-type: none"> How can light be seen through all the index cards? What does the experiment prove about the path light travels? What would happen if the holes were smaller? 	<p>Look at the World War 2 propoganda posters at the end of this document. These are primary sources and were displayed around the country at the time.</p> <p>Visit this website to learn some information about what propoganda is and why it was used during the war. https://www.dkfindout.com/uk/history/world-war-ii/propaganda/</p> <p>Consider the following questions: -What is the purpose of each poster? -What effect would it have on its audience? -Who do you think each poster is targeting? -What can you learn from the poster?</p> <p>-Design your own WW2 propoganda poster in a similar style to what you have seen today.</p>	<p>We have received a request for help from the NHS. They would like children from APS to contribute their artistic skills to help decorate the new Nightingale Hospital in London.</p> <p>They are looking for bright and cheerful drawings and messages of hope that they can display in the wards, which will help to cheer up the patients and NHS workers. Please could you spend some time this week creating an A4 picture and send it to the address below, where it will be laminated and sent on to the hospital. You don't have to do just one picture, if you have lots of ideas you can do as many as you like. Please remember -- do not to put any personal information on the pictures, other than perhaps your first name if you want to.</p> <p>Please send your finished creations to: Rainbows for Nightingale 59 Sutherland Grove London SW18 5QP Or email them to: kelly.curtis@copperfieldacademy.org who will organise getting them sent on.</p>
